

DO YOU

CLOVERDALE

If you enjoy Cloverdale and are interested in future development, please come to a public meeting at the Cloverdale Playhouse. The City of Montgomery's Planning Department would like to implement SmartCode along the Commercial Corridor on Fairview, Boulter, and Woodley to promote good urban form. This work builds on a 2006 plan by Historic Southview, Old Cloverdale Business Coalition, AIA, and countless other concerned citizens. Come with questions and let the Planning Department show you why this rezoning is in the best interest of the Cloverdale Community.

We look forward to seeing you there.

**August
5 & 6th
4-7 PM**

@

**Cloverdale Playhouse
(Basement)
960 Cloverdale Road**
